

New Options in reEdit Module

It is reported from few districts about the khata number data discrepancy observed in few cases.

1. The group of names on a khata no on 7/12 are different than the display of khata processing options.

Solution : To clear this discrepancy we have given a option in menu as :-

खात्याच्या दुरुस्त्या -> खाता मास्टरची खाता प्रोसेसिंगने दुरुस्त/अद्यावत केलेली माहिती पुर्ववत करणे.

2. The group of names on a khata no on 7/12 are different than the display of reedit bhogwatadarachi processing option .

Solution : To clear this discrepancy we have given a option in menu as :-

सर्व्हे क्रमांक/गट क्रमांकांच्या दुरुस्त्या -> सर्व्हे क्रमांकावरील खातेदारांची अद्यावत/दुरुस्त केलेली माहिती पुर्ववत करणे

Note : Workflow document of both the options are available on 135 server .
